

NSW Government Coronavirus rules

We have created an Easy Read guide about the new coronavirus (COVID-19) rules.

Read the guide in our website.

<https://cid.org.au/our-stories/nsw-government-coronavirus-covid-19-rules/>

We have won the Justice Matters campaign

Thanks to your support we have won the Justice Matters campaign.

This means people with intellectual disability will get help when

- in court
- at the police

[Read more about this campaign on our website](#)

Our latest podcast episode
'Out, proud and included'

This episode is about LGBTIQ+ relationships.

LGBTIQ+ means

- lesbian
- gay
- bisexual
- trans
- intersex
- queer relationships

Cameron talks about his experiences as a gay man with an intellectual disability.

Speak up and make decisions with the support of My Right to Decide

My Right to Decide works with people with intellectual disability living in group homes and other supported accommodation.

We help people to speak up and make decisions.

We also work with staff and families of people with disability.

Contact us to find out more about My Right to Decide

- Phone **1800 424 065**
- Email info@cid.org.au

Next LGBTIQ+ friendly peer meet ups

Our next meet up will be on **Tuesday 3rd of August 2pm – 4pm**

It will be held at Newtown Neighbourhood Centre in the Rainbow Room.

Meet new people.

Share your ideas and experiences about

- career planning
- jobs
- employment

If you want to come contact us

- call **1800 424 065**
- email monica@cid.org.au

National Reconciliation Week video

This is a video about National Reconciliation.

At CID we are creating a Reconciliation Action Plan.

This plan will be about

- respect
- trust and
- inclusion

Our new offices in Wagga Wagga

This is Tom, Leonie and Alison.

They are part of our new Wagga team.

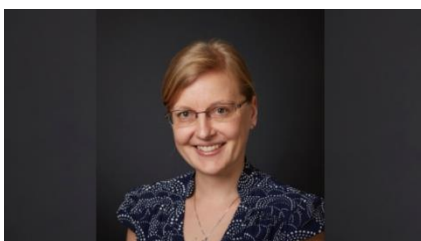

You can connect with us if you live in the Riverina region of NSW.

We are doing a lot of different activities.

You can contact us to find out what we do.

Call **1800 424 065**

Email info@cid.org.au

Professor Iva Strnadova from UNSW has done research about mobile technology

The research shows mobile technology can help people with intellectual disability feel more included.

You can read the Easy Read article and watch the video on her blog called 'Disability and Me'.
