

Everyday for Everyone Postcards

There are barriers for people with disability.

People with intellectual disability need

- Easy Read information
- More government jobs
- Transport that is safe and easy to use.

The NSW Government needs to make changes to make inclusion of people with intellectual disability happen.

You can speak out by sending a postcard to the Premier and Leader of the Opposition.

We can send you postcards to give to your family and friends to sign.

Link: [Order petition postcards](#)

Put the signed postcards in the post and we will give them to the Premier and Leader of the Opposition.

Frank talks about travel plans and making decisions

In this video Frank talks about his big plans for the new year.

Link: [Listen to your heart, mind and soul](#)

Frank plans to travel around the world.

He knows he might need support.

Frank is happy to get advice.

You have the right to make the big decisions about what you want to do.

You can talk to others to get advice.

Learn more at the Supported Decision Making Hub.

Link: [Supported Decision Making Hub](#)

Talking about supported decision making

Supported decision making gives people with disability freedom and independence.

Ricky, Kane, Sammy and Frank talk about why it is important for them to make their own decisions.

Link: [Talking about supported decision making](#)

La Trobe University and the Disability Royal Commission did a report about supported decision making.

It is called “Diversity, equity and best practice: a framework for supported decision making”

There is an Easy Read version.

Submissions

CID has made submissions to the Disability Royal Commission and the Joint Standing Committee on the NDIS.

A submission is how we tell the Commission

- What we know about the problems for people with disability
- What we do to make things better for people with disability

You can read the submissions on our website.

- [Disability Royal Commission - Saying Sorry for Disability Institutions](#)
- [Joint Standing Committee on the NDIS - Capacity and Culture](#)

Join Learn2Lead

Learn 2 Lead is looking for new members.

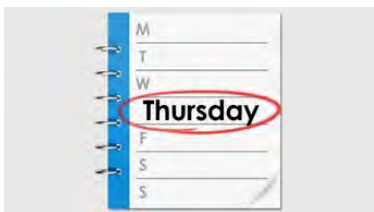

Learn 2 Lead is a group of CID members with intellectual disability.

They get together to:

- share ideas
- learn about leadership
- learn about working together

They meet once a month.

You need to be a CID member to join.

You can become a member at the link.

Link: [Become a CID member](#)

Easy Read eNews – January 2023

If you want to know more contact CID

- email info@cid.org.au
- call 1800 424 065.

Research with UNSW

UNSW is doing research on having good health.

They want to hear from

- people with intellectual disability
- their supporters
- health professionals.

To be involved in the project, you can email b.laghina@unsw.edu.au or call [\(02\) 9348 0190](tel:(02)93480190).

Research with JFA Purple Orange and Australian National University

JFA Purple Orange and the Australian National University are doing research.

They want to hear from people with intellectual disability about how attitudes of other people make them feel.

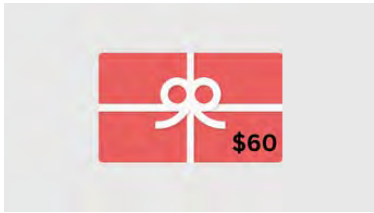

The stories will be used in a report to the Australian Government.

The focus groups will be online from 10.30am to 12pm.

- Wednesday February 1 - Attitudes in the Justice System
- Thursday February 2 - Attitudes in Community Services
- Monday February 6 - Attitudes at work

Easy Read eNews – January 2023

You will be given a \$60 gift card for doing the focus group.

Call (08) 8373 8327 or email [Ali](#) or [Ellen](#) if you want to be involved.

You can read an Easy Read information sheet about the study (DOCX).

Survey about employment from Inclusion Australia

Inclusion Australia is writing a report for the Disability Royal Commission about work and employment.

They want to know what needs to change so people with an intellectual disability can get jobs that pay well.

You can read more and do the survey at the link.

Link: [Employment survey](#)

The survey will close on 2 February 2023.

Survey about taxis from Physical Disability Council of NSW

The Physical Disability Council of NSW wants to hear from people with disability who use taxis.

You can fill out the taxi survey at the link.

Link: [Taxi research](#)

Research report on younger people in aged care

UNSW 3DN and the Summer Foundation wrote a report about younger people living in aged care homes.

Having to live in aged care as a younger person is not good for your health.

You can read the Easy Read version of the research at the link.
