

Focus Groups for an Inclusion Strategy

CID will have focus groups in September.

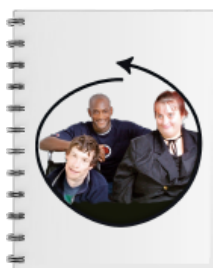

We are doing this with The National Centre of Excellence in Intellectual Disability Health.

We say the Centre for short.

We need people for the focus groups.

We will meet online

In the focus group you can share your ideas about inclusion.

These ideas will help the centre make an **Inclusion Strategy**.

An **Inclusion Strategy** talks about how to include people well.

The **Inclusion Strategy** is important for the Centre.

The strategy will say

- how they do inclusion now
- how the Centre will do inclusion well in the future.

You will be paid for your time.

In the focus group we will ask questions about 3 things

1. Inclusion goals for the Centre over the next 10 years

2. How the Centre can talk about inclusion to others.

We want other services to include people with intellectual disability well.

This could be

- health
- housing
- justice
- jobs

3. How the Centre can know if they are doing inclusion well.

We will send you the questions before the focus group.

You can bring a support person to the focus group.

Focus Group dates

There will be focus groups for different people.

September

18

People with intellectual disability focus group

Wednesday 18 September

At 1:00 - 3:00

September

19

Health workers focus group
