SATURDAY, 21ST JUNE 2025: 10:00AM - 3:00PM**
WHITLAM LEISURE CENTRE, LIVERPOOL

Join us for the first-ever South West Sydney Disability and Lifestyle Expo—proudly presented by the South West Sydney Support Coordinators Network (SWSSCN)! This vibrant event celebrates the spirit of collaboration, inclusion, and empowerment under the inspiring theme: “The Power of We.”

With the theme “The Power of We”, this event highlights the incredible things we can achieve together when individuals, families, carers, providers and communities come together with a shared purpose.

Our expo connects people with disability, their families, supporters, and the wider community to an extensive range of services, support networks, and exciting opportunities, all aimed at enriching

lives and encouraging meaningful community participation.

EXPERIENCE “THE POWER OF WE” THROUGH:

-  Industry information, updates and insights from exhibitors
-  Information, experiences, and entertainment for all ages
-  Community food vendors with something for everyone

Whether you're looking to explore new services, make informed decisions, or simply connect with others in the sector, this event is about bringing people together — to learn, grow and celebrate what's possible when we work as one.
