

# Are you a Mandarin, Arabic, or Vietnamese-speaking Woman aged 40-74 years?

Researchers at The University of Sydney want  
to hear from you!

**We are looking for women living in  
New South Wales who:**

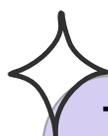

- **Are either Mandarin, Arabic, or Vietnamese-speaking;**
- **Are between 40-74 years old;**
- **Have not been previously diagnosed with breast cancer.**

**This study involves:**

- **A 1-hour online (Zoom) interview and a follow-up questionnaire.**

**You will also be offered a gift card reimbursement for your time.**

**This study has been approved by  
The University of Sydney Human  
Research Ethics Committee  
(2024/HE001578).**

**For more information please  
contact Dr. Brooke Nickel at  
[brooke.nickel@sydney.edu.au](mailto:brooke.nickel@sydney.edu.au) or  
scan the QR code.**
